

Join B.U.G.

Become part of an active community of enthusiasts who build, fly and enjoy light and ultralight aircraft. You do not have to own or fly an aircraft to belong, although you may soon find yourself doing so! Benefits include organized group fly-ins, the annual Safety Seminar, a newsletter, and a website and e-mail list for club members. This brochure may be used as a membership application.

Yes! I would like to join B.U.G.

NAME _____

ADDRESS _____

PHONE _____

E-MAIL _____

AIRCRAFT OWNER? Y___ N___

AIRCRAFT TYPE _____

Send along with \$15 for a one-year membership to:

***Jim Price
621 Woodduck Lane
Georgetown, KY 40324***

NOTE: As B.U.G. is a chapter of the Experimental Aircraft Association (EAA), membership in that organization is required (and has additional benefits). Go to www.eaa.org for additional information.
